HUMILITY

Today's reading from Sirach celebrates what will become the theme of today's Gospel: humility. Pride causes us to demand from others an exalted estimate of our status, but humility allows us to see things more clearly. It allows us a broader perspective. Humility promises us the favor of God and the love of those who know us.

The second reading is a study in contrasts: the giving of the Law on Mount Sinai and the giving of salvation on Mount Zion. The Law's appearance is greeted with solemnity, mystery, even fear. But Christians are not to be afraid. Coming to God's mountain with Jesus, "the mediator of a new covenant," is a happy, exuberant experience.

The parable in today's Gospel concerns the danger of pride and the necessity of humility. The banquet setting, often used by Jesus, is a symbol of heaven's abundance and of the fulfillment of God's promise. The parable is not simply good advice on how to avoid embarrassment; it is about salvation.

Immediate Action Needed!

Help us stop SB 131 (Beall)! Current law treats victims of child sexual abuse the same, regardless of where the abuse took place and regardless of whether the abuser worked for a public school, a private school, or a religious organization. A controversial bill winding its way through the state Legislature would change all that. Under SB 131, victims who were abused by employees or volunteers of private or non-profit organizations would be able to sue those organizations even if the statute of limitations was over. Victims who may have been abused in public schools or by government workers, on the other hand, get nothing. As the bill is currently drafted, not only are they prevented from suing the school, they can't even sue the actual perpetrator who committed the abuse.

The California Catholic Conference opposes SB 131, and opposes discrimination against victims and private employers. SB 131 is also opposed by a growing coalition of that includes private schools and universities, the Police Activity League, the California YMCA/YWCA, USA Swim, USA Gymnastics, other religious groups and the La Raza Roundtable de California. **Visit www.cacatholic.org for more information and click "ACT NOW" for an email that you can send to your Assembly Member.**

Pillars of St. Peter's Church

(List of names in the entrance of the church)

We are working on the Donor Walls that will be installed in the entrance of the church. There will be two walls. The Memorial Wall will be on the South side and will include the names of those who have pledged for items of the Church in memory of a loved one, such as the windows, crucifix, Stations of the Cross, pictures, etc. The Memorial Wall has already been verified. If you have pledged for a Memorial and have not been contacted, please call Phyllis at the church Office.

The Wall on the North side will be called the "Pillars of St. Peter's Church" and will list the names, in alphabetical order, of all the Parish families who have contributed to the New Church Building Fund since 1994. Only the names of those who have been recorded as contributing will appear on the Board. These names will be etched on glass panels that will be attached to the wall, so please check out the boards at the back of the Church to see if your name is listed and spelled correctly. Only the names of the husband and wife will be used. If it is correct, great, you do not need to do anything. Your name will appear on the Board as is.

If you cannot find your name and feel that you have contributed to the Building Fund or if your name is misspelled or listed incorrectly, please fill out the form available near the board letting me know the problem. Please do not write on the Board itself.

If you have any questions, please call Phyllis at the Church Office: 924-2562 Ext. 106. Thank you.

¡Ayúdenos a detener el Proyecto de ley SB 131 (Beall)!

Las leyes actuales tratan a las víctimas del abuso infantil
 por igual, independientemente del lugar donde haya
 ocurrido el abuso e independientemente de si el
 abusador trabajaba para una escuela pública, una
 escuela privada o una organización religiosa. Un
 polémico proyecto de ley que va en camino a la
 Legislatura estatal podría cambiarlo todo. Conforme al
 Proyecto SB 131, las víctimas que hayan sufrido de abuso
 en manos de empleados o voluntarios de alguna
 organización privada o sin fines de lucro, podrían
 demandar a esas organizaciones aunque ya haya vencido
 el plazo de prescripción. Por otro lado, las víctimas que
 posiblemente hayan sufrido abusos en las escuelas
 públicas o en manos de los trabajadores del gobierno, no
 reciben nada. Así como está redactado este proyecto de
 ley ahora, no solamente se les impide demandar a la
 escuela, sino que ni siquiera pueden demandar al mismo
 perpetrador que cometió el abuso.

**La Conferencia Católica de California se opone al
 Proyecto SB 131, y se opone a la discriminación contra
 las víctimas y los empleadores privados.** Al Proyecto SB
 131 también se oponen una coalición creciente que
 incluye a escuelas y universidades privadas, la *Police
 Activity League*, la YMCA/YWCA de California, *USA Swim*,
USA Gymnastics, y otros grupos religiosos, así como *La
 Raza Roundtable de California*. **Visite
