## **Immediate Action Needed! Urge the Governor to Veto SB 131**

### **Help us stop SB 131 (Beall)!**

Current law treats victims of child sexual abuse the same, regardless of where the abuse took place and regardless of whether the abuser worked for a public school, a private school or a religious organization. A controversial bill now on the Governor's desk will change that. Under SB 131, victims who were abused by employees or volunteers of private or non-profit organizations would be able to sue those organizations even if the statute of limitations was over. Victims who may have been abused in public schools or by government workers, on the other hand, get nothing. As the bill is currently drafted, not only are they prevented from suing the school, they can't even sue the actual perpetrator who committed the abuse.

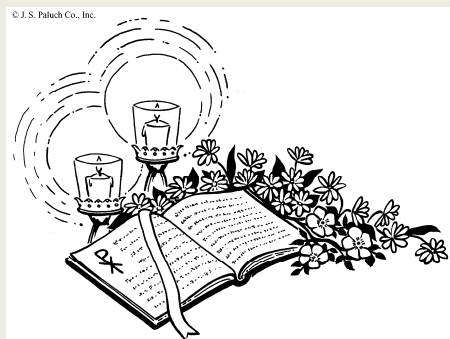

The California Catholic Conference opposes SB 131, and opposes discrimination against victims and private employers. SB 131 is also opposed by a growing coalition of that includes private schools and universities, the California YMCA/YWCA, USA Swim, USA Gymnastics, other religious groups and the La Raza Roundtable de California. Visit [www.cacatholic.org](http://www.cacatholic.org) for more information and click "ACT NOW" for an email that you can send to the Governor urging him to veto SB 131.

## **¡Se solicita acción inmediata! Pida al Gobernador que Prohíba el SB 131**

### **¡Ayúdenos a detener el Proyecto de ley SB 131 (Beall)!**

Las leyes actuales tratan a las víctimas del abuso infantil por igual, independientemente del lugar donde haya ocurrido el abuso e independientemente de si el abusador trabajaba para una escuela pública, una escuela privada o una organización religiosa. Un polémico proyecto de ley que va en camino al Gobernador podría cambiarlo todo. Conforme al Proyecto SB 131, las víctimas que hayan sufrido de abuso en manos de empleados o voluntarios de alguna organización privada o sin fines de lucro, podrían demandar a esas organizaciones aunque ya haya vencido el plazo de prescripción. Por otro lado, las víctimas que posiblemente hayan sufrido abusos en las escuelas públicas o en manos de los trabajadores del gobierno, no reciben nada. Así como está redactado este proyecto de ley ahora, no solamente se les impide demandar a la escuela, sino que ni siquiera pueden demandar al mismo perpetrador que cometió el abuso.

La Conferencia Católica de California se opone al Proyecto SB 131, y se opone a la discriminación contra las víctimas y los empleadores privados. Al Proyecto SB 131 también se opone n una coalición creciente que incluye a escuelas y universidades privadas, la Police Activity League, la YMCA/ YWCA de California, USA Swim, USA Gymnastics, y otros grupos religiosos, así como La Raza Roundtable de California. Visite [www.cacatholic.org](http://www.cacatholic.org) para obtener mayor información y haga clic en "ACT NOW" para enviar un correo electrónico a el Gobernador y pídale que prohíba el SB 131.

## — Weekly Reflection —

### **SEEK VIRTUE**

In today's first reading, Amos condemns a self-absorbed people and their morally corrupt behavior and attitudes, which he warns will bring devastation. In the Gospel, the wealthy man is not given a name; he is simply the epitome of greed and irresponsibility. His lack of caring has created a gulf between him and the beggar Lazarus that not even Abraham can bridge.

In his letter to Timothy, a young bishop in the small Resurrection community of Ephesus, Paul exhorts this leader to seek virtues such as integrity, faith, and steadfastness with great gentleness. Paul also asks Timothy to keep in mind the future life with God who "dwells in unapproachable light." This is the blessedness of all those who, like Lazarus, were once poor but who are now rich.

### PRACTICAR LA VIRTUD

En la primera lectura de hoy, Amós condena la corrupta moralidad en el comportamiento y la actitud de un pueblo que no se preocupa sino por su bienestar y les previene que les traerá devastación. En el Evangelio, el hombre rico ni siquiera tiene un nombre, es simplemente la personificación de la avaricia y la irresponsabilidad. Su falta de caridad ha creado un abismo entre él y el mendigo Lázaro que ni Abraham puede cerrar.

En su carta a Timoteo, un joven obispo en la pequeña comunidad formada después de la Resurrección en Éfeso, Pablo exhorta a este dirigente a practicar virtudes como integridad, fe y constancia con gran bondad. Pablo también pide a Timoteo que conserve en su mente la vida futura con Dios que "vive en la luz inaccesible". Esta es la bienaventuranza de todos aquellos que, como Lázaro, fueron una vez pobres pero ahora son ricos.
